RETURN TO SCHOOL

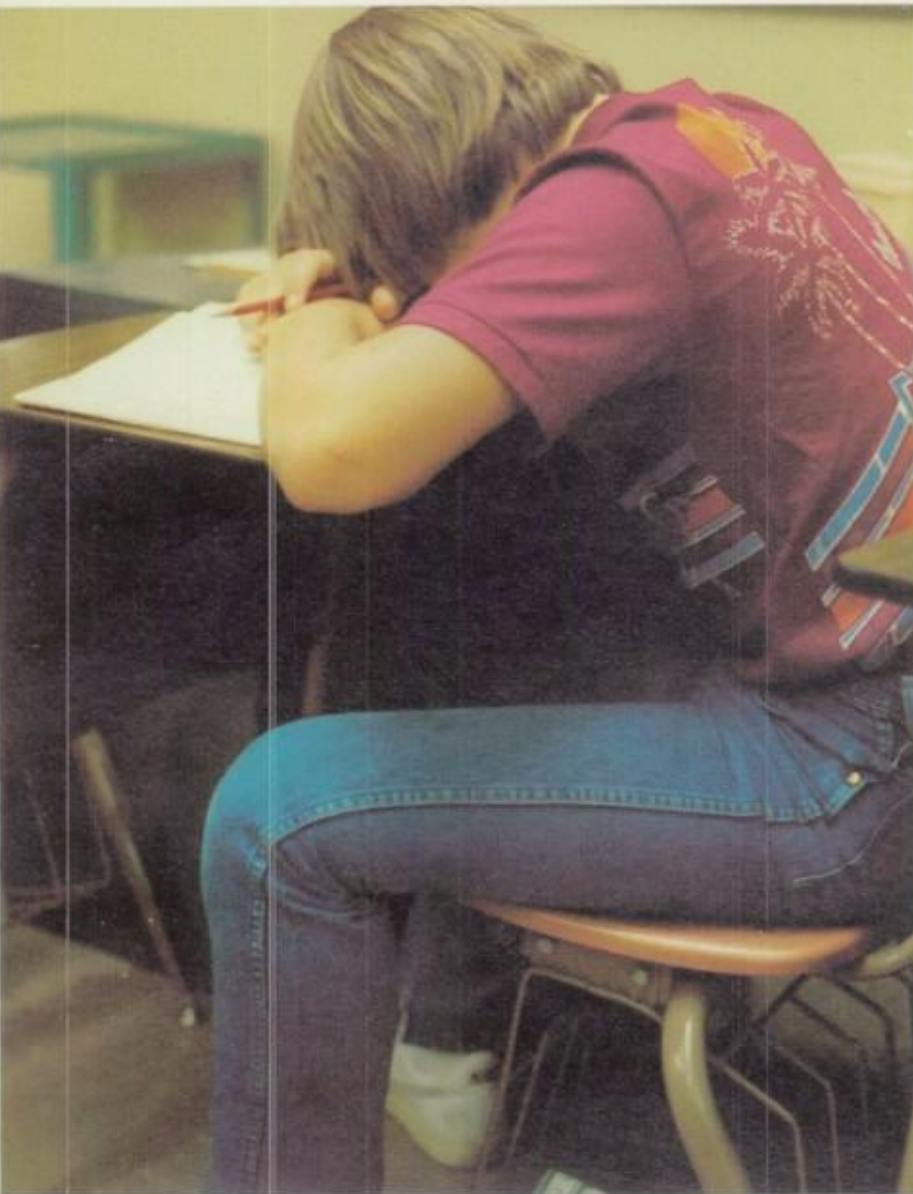

As September drew near the teenagers of Mineral Wells began to prepare reluctantly, of course, for a new year at school. The Seniors heartily rallied together and promised to rule the school, while the Juniors vowed not to be ruled. The Sophomores gratefully relinquished their roles as "fish" and eagerly looked forward to watching someone else suffer. While freshmen arrived asking,

"Where is 'I' building?"

"Who is Stevie Perdue?"

"What time is lunch?"

► Sophomores show that you don't have to be a senior to show spirit.

▼ Two "classical" musicians — Brennan D. and Stretch H.

▼► A very hungry Coach Schatzle!

▼▼ Sophomore Kim Scott says, "But Mr. Brooks, I'm not a fish fuzz!"

►► Seniors show artistically that they are #1.

►►► Sophomore Chip Lovern tries to ignore Robert Unerfusser as he disrobes in the breezeway.

►►► Senior Randy Motley may never ride a motorcycle again.

► Deborah Shires and Karen Roden are like t-o-t-a-l-l-y confused.

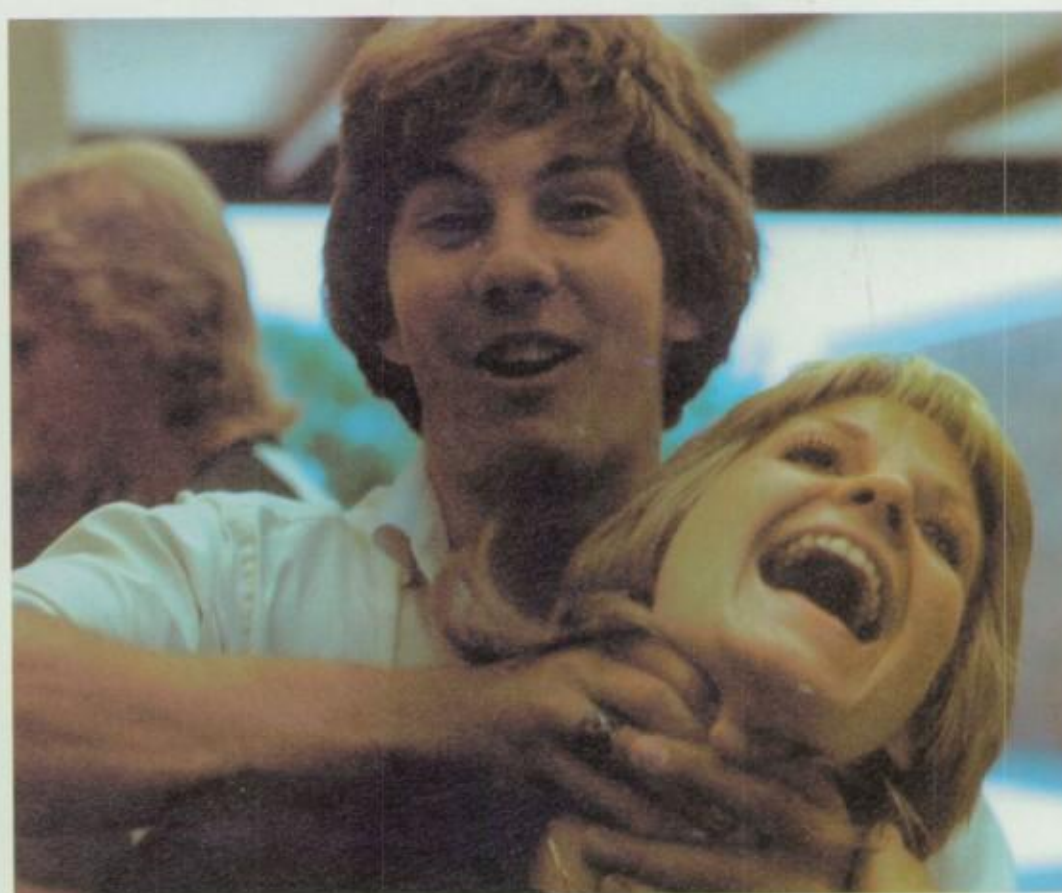

►► Teresa Magnum, sophomore, is invaded by the dreaded typewriter.

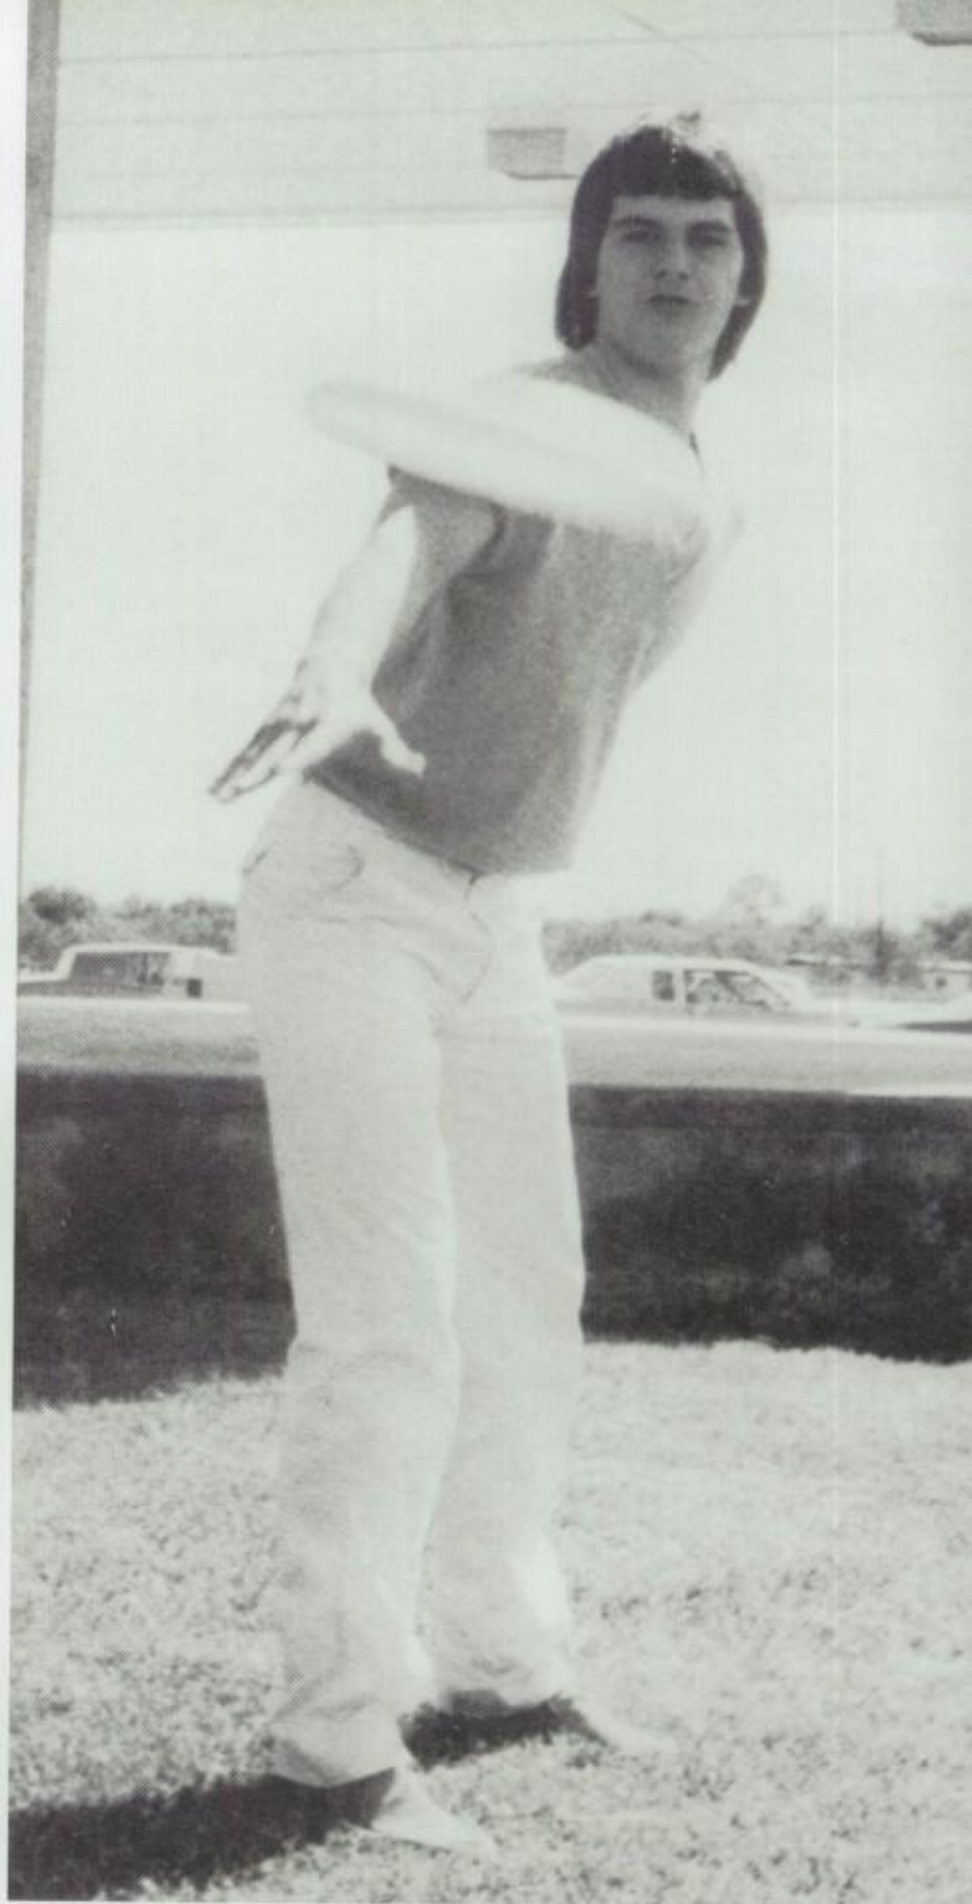

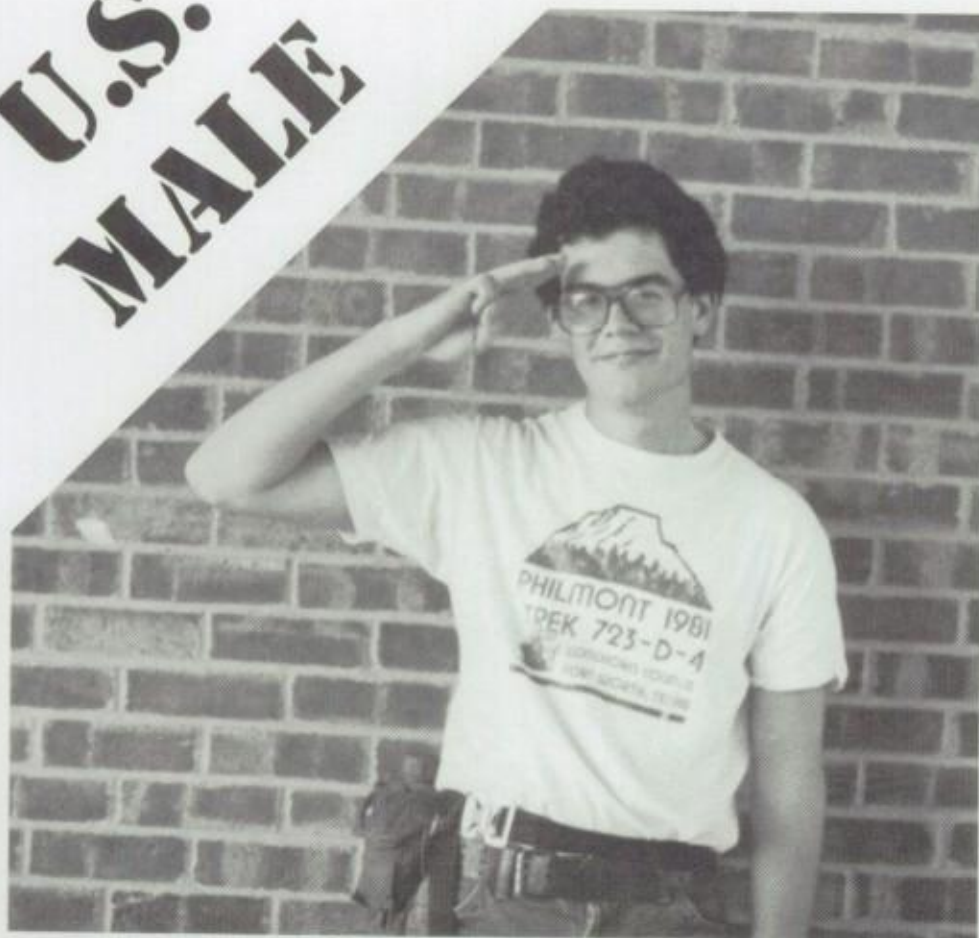

FRAGILE: HANDLE WITH CARE

Years from now when we all look back on the days here at MWSH what will we remember? Not the big moments of personal glory, but the quiet, almost fragile, memories of friends and feelings. The time you and the gang yelled non-stop for the football team (they lost, despite your encouragement). There were the dances when you jammed till you thought you would drop and then there were those times that you felt like the wallflower of the season. The time you hoped and prayed for a mum at homecoming and got one . . . from your Dad. Those are the fragile moments that should be put in a special place in your memory and handled with care.

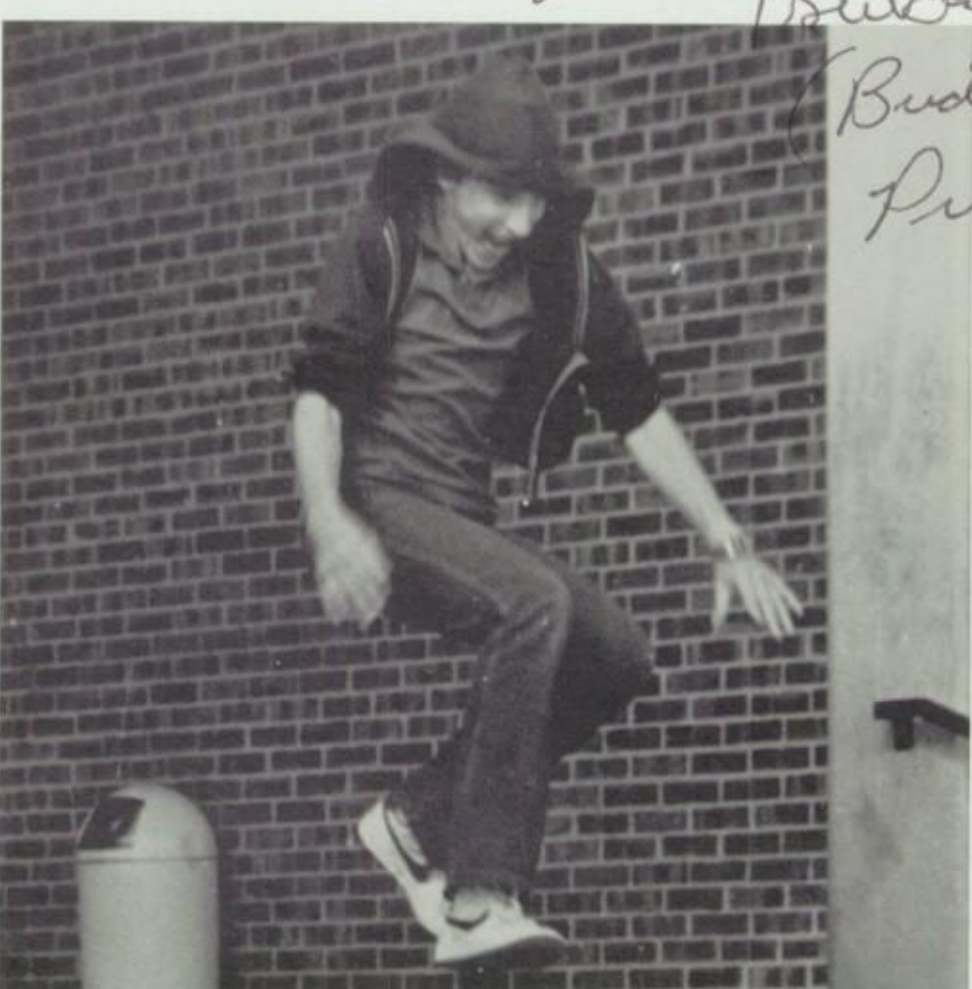

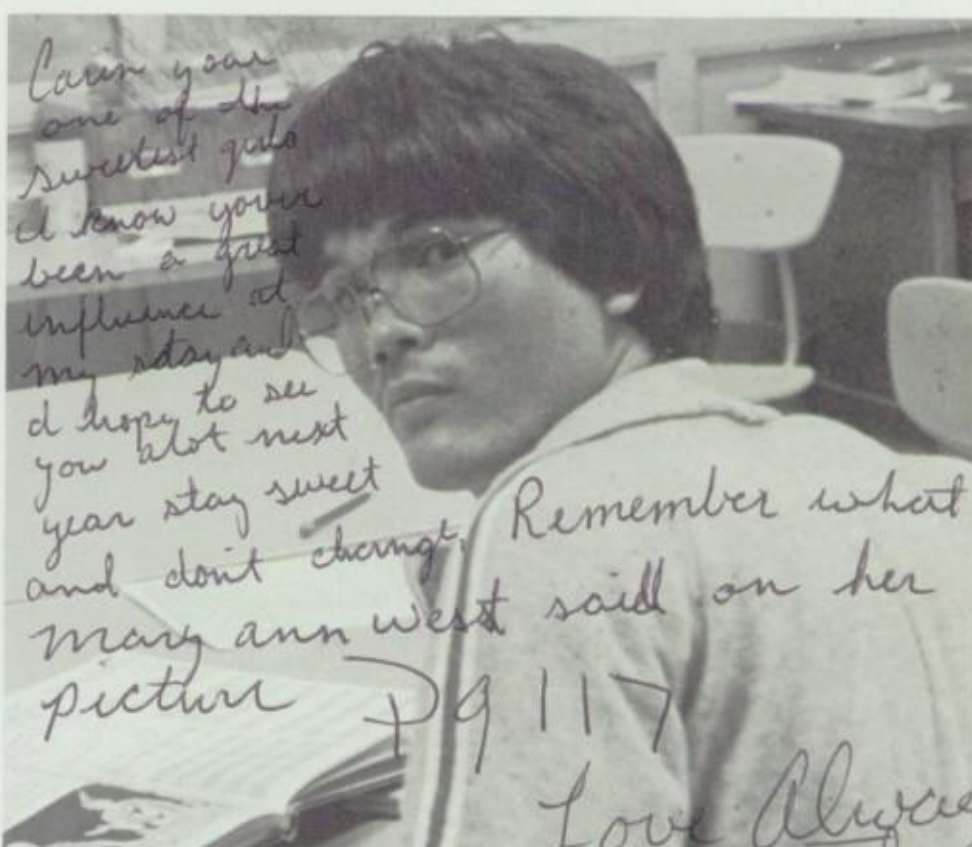

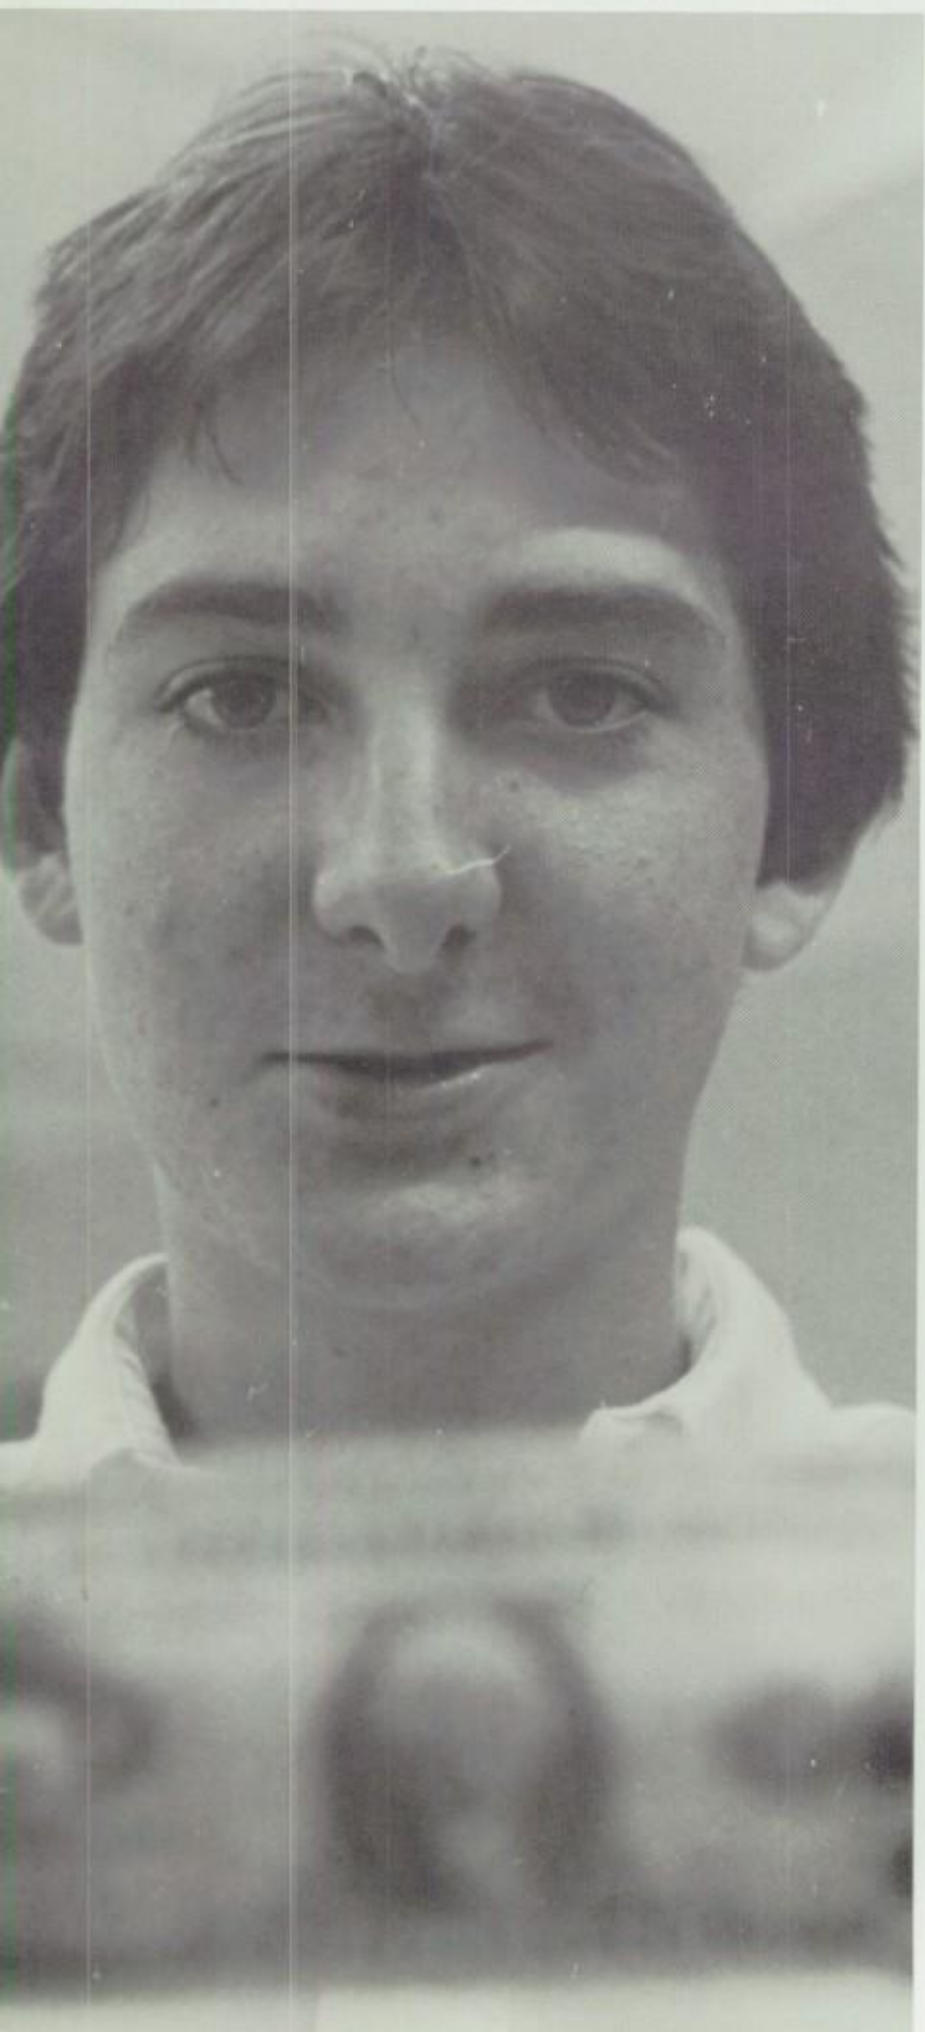

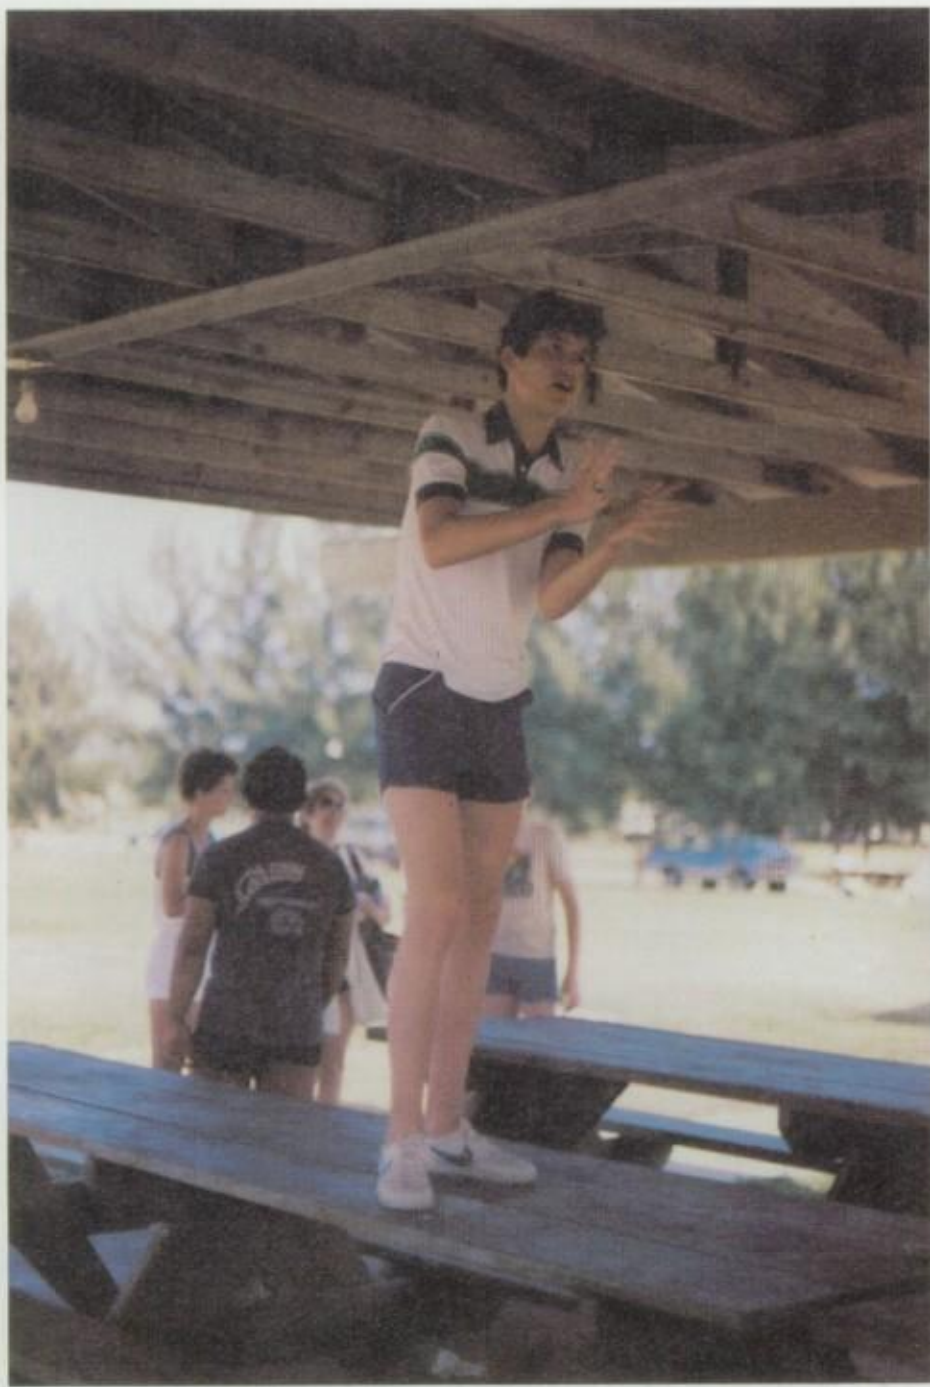

U.S. MALE

Men! You can't live with them; you can't live without them. You scheme and connive to get a date with "him" to homecoming, but settle for catching a glimpse of him at the dance. He sends you flowers for no reason then forgets your birthday. But our guys have a first class way of making their girls feel special. From the cowboy who holds his gal close while they do-si-do, to the rockers who get their girl a front row ticket to AC/DC . . . life just wouldn't be the same without MWHS males.

Love Always

TOP PRIORITY

From the beginning of the school year our Seniors were gradually affected by that dreaded disease — Senioritis. The symptoms consisted of staring lethargically at the blackboard, a teacher, or an open book, and arriving at class a milli-second before the tardy bell. Graduation approached and the itch became almost unbearable. As the big moment finally arrived, many tear filled eyes remembered their days at MWHs and realized they were

"TOP PRIORITY!"

SPECIAL DELIVERY

Every day a special delivery comes your way. Sometimes it's that special hello from that cute guy in your third period class or the "A" on the term theme that cost you an entire night's sleep and a whole bottle of No-Doz. The thrill of a Ram victory over Weatherford (7-0), or even that summons from the office when you know you're doomed for detention hall and it is just your mother bringing your lunch money. They all leave you with a sense of satisfaction. It makes you proud to be who you are and proud to be a part of the "Special Delivery" of M.W.H.S.

Homecoming Queen, Jaylene Freeman, escorted by her father, Robert Freeman.

The 1982 Homecoming bonfire illuminated the broad Texas sky as the Seniors lit the fire and sent our spirits soaring with the flames towards the stars. The following day, November 5, the Senior class won "Best Over-all" in the hall decorating contest, while the Juniors trailed closely winning the "Best Theme" category.

An emphasis at the pep rally was on team and school unity. The cheerleaders, majorettes, and drill team all performed outstandingly, but the predominant influence was a small group of students who wanted to be remembered as having done something a little different. They designed their faces in contrasting colors to make a bold and memorable statement. Perhaps the white represents the personality they are forced to show outwardly in order to survive in the "adult" world; the black half represents the actual personality in all of us that is often misunderstood.

The festivities at the football game included a spectacular half-time show and the anticipated crowning of the 1982 Homecoming Queen. Queen Jaylene Freeman was escorted by her father, Mr. Robert Freeman, and her royal court which included Seniors Shari Valtierra, Tacy Reddell, and Junior Gay Cox. The dance, sponsored by the VOE CO-OP class, was the day's finale.

Rams rake 'Roos 7-0

By Kent Moore
Sports Editor

This game story was written over 2,000 years ago, when David beat the giant Goliath, throwing a stone out of his slingshot to hit Goliath between the eyes and kill him. Last Friday night, the Mineral Wells Rams found the right stone to knock down a large Weatherford Kangaroo team 7-0.

The Rams found the right "rock" when Victor Small connected with receiver Jon Brooks on a halfback option pass that went for a 50-yard touchdown, with 10:28 left in the game.

Victor Small was back in form Friday night. Small rushed for 97 yards on 16 carries for a six yard per carry average with 16 yards on three carries for a 5.3 average.

Weatherford's Joe Randle led "Roo rushers with 38

yards on 14 carries for a 2.7 per carry average.

Mineral Wells rushed for 131 yards while Weatherford accumulated 97.

Bubba Allen was 0-7 on passing, but at least half of those incompletions were dropped passes that had been on target. Small was 1-1 for 50 yards.

Neither team could score during the first three quarters. The offenses would move and then the defenses would shut down the progress and the team would have to punt.

Weatherford center Paul Lee was ejected from the game with 3:09 left in the first half.

The third quarter featured a blank scoreboard. Then the game entered the place where Mineral Wells had had trouble for the first two games. The teams entered the dreaded

fourth quarter. A number of pregame forecasters had thought the Rams would have to be leading going into the fourth period to win. But Mineral Wells buckled down in the fourth quarter and showed that the 1982 Rams' team is for real.

On the first play of the fourth quarter, Weatherford had to punt from the fourth and eight situation.

Mineral Wells fielded the 19-yard punt at the 'Roos 48-yard line with 11:53 left and began from that point.

On the first play of the drive, Small was caught one yard behind the line.

Then David Foreman was caught for a one yard loss to bring up third and 12 at the 50-yard line.

Allen took the snap and pitched back to Small. Small faded back to the right and then hit Brooks at the 'Roos'

20-yard line. From there Brooks weaved and dodged tacklers and high stepped into the end zone for the only touchdown of the game. Then Trevino came out for what could have been a crucial "point after" kick. Trevino's boot was good and Mineral Wells led 7-0 with 10:28 left in the game.

Weatherford took the kickoff and ran seven plays and had to punt.

The Rams began their drive at their 33-yard line with 7:31 remaining. Runs by Small of 21 and 30 yards helped Mineral Wells to first and goal at the seven. However, penalties pushed the Rams back and they had to give it over on downs, with 2:08 left at Weatherford's 16 yardline.

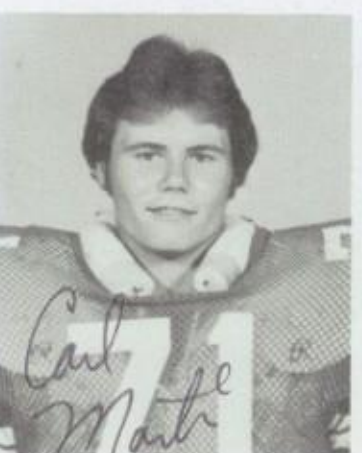

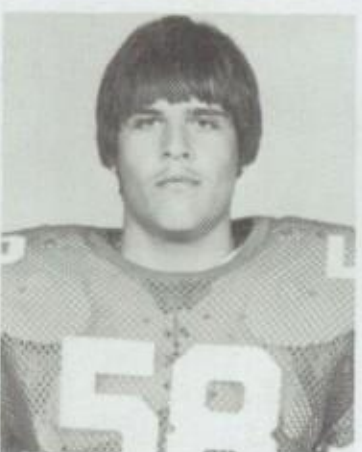

The 'Roos moved nine yards in four plays and Mineral Wells got the ball back at Weatherford's 24 yard line with 1:25 left.

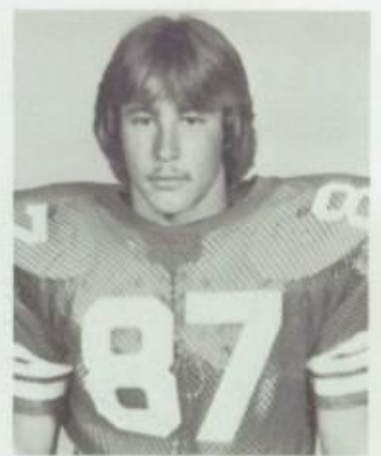

Mineral Wells lost 14 yards on its final drive, including a five yard delay of game penalty, but no one cared as Mineral Wells beat Weatherford for the first time in three years.

▼ Are pep-rallies really that much fun?

►▼ Too close for comfort.

▼▼ Kim and Theresa . . . basketball buddies!

►►▼ Hall decorations . . . fun or fatigue?

▼▼ Shelby, your 5 minutes are up!

The typical Senior has one particular answer to every question — "Because we're Seniors!" On the last day of attendance when they came clad in every conceivable costume, their excuse was "We're Seniors!" When they didn't have an Algebra assignment their usual reply was, "Aw, don't get radical on us, Mrs. Munday, we're Seniors." When Mr. Scott questioned why they wanted to stand by the rail during pep-rallies they retorted, "because, we're bad — we're Seniors." When asked why they just pushed four freshmen out of the lunch line the general reply was, "Hey, move back — We're Seniors."

Seniors are bold, brash, intolerating, overbearing and near insane, but when it comes right down to it they are the leaders of Mineral Wells High. They set the attitude that is reflected by the rest of the student body. The year's personal triumph and laughter would not have been possible without them. The class of 1983 has left a definite impression on teachers and other students, but more importantly, they have left an impression on each other that they will carry with them the rest of their lives.

They are outspoken and loud when the Seniors aren't around. They rule the school when the Seniors aren't there. Their class Rings are great until they realize they aren't Seniors ... really ... not yet. By now the description of the Junior class should be evident. It seems they always play second to the Seniors no matter how hard they try. As the end of the reign of the Class of '83 draws to a close, the Class of '84 begins their rule. With the arrival of Senior rings "Senioritis" spreads to epidemic proportions. Juniors can be seen hazing Freshmen and smarting-off to upperclassmen. When May arrives and the final grades are posted a sigh of relief comes from all those worried Juniors. A cry of "Seniors at last" can be heard and the Class of '84 begins their final year at M.W.H.S.

▼▼► Donnie Wright — another attentive student!

The Sophomores are no longer the "fish" of Mineral Wells High — but almost. They arrived on the first day of school thankful, that they were no longer forced to push pennies down the breezeway or sing "Mary Had a Little Lamb" to all the upperclassmen. At last, they were actually living, breathing, human beings and they set out to prove it! Although their attitudes were not always well-received by the upperclassmen, the Sophomores were awarded the greatly deserved honor of "Most Spirited Class" at the homecoming pep rally. Now that the prospect of being true upperclassmen has arrived, they are relieved and excited at finally acquiring the respected position of a Junior.

After a long year of adjusting, adapting, and adlibbing, the freshmen have finally made it through their first year of High School. The beginning was rough mainly because of the wide spread hazing, but the class of 86 has come through it shining. At the first of the year the fish wandered about the halls asking directions and bumping into upper classmen. Now, they navigate efficiently from class to class and are as much a part of this school as open campus is a part of Friday.

BETTY'S SPECIALS

Earnest Dowdy, William Link, Mrs. Hawkins, Barbara Snevens, Dwayne Parks, Brenda Starr, Elizabeth Lindley, Earnest Tyler, Jinny Cooper, Patty Ivie, Joyce Barnett, Rodney Young, Leslie Dhane, Harold Starr

Mrs. Betty Hawkins is more than just the teacher for Betty's Specials. Under her guidance, these students have presented nine play performances to civic organizations, to all the schools in the area. Audiences were treated to presentations of "The Little Match Girl," and the "Frog Prince." The students made their own props and costumes in the classroom.

The year's activities included: the area-wide Special Olympics in Weatherford, the Christmas party for Palo Pinto County COOP Special Ed., the Valentine flower sale, and the candy sales during the school lunch periods. Also, Mrs. Hawkins testifies to their newly acquired cooking skills: "I've gained fifteen pounds this year."

Dedication

Mr. Emmett Chastain graduated from Brazos High School in 1936 and it was another ten years before he decided to enroll in Agriculture Education at Texas A&M University. After he received his M.S. from A&M, he began teaching Ag at Mineral Wells High School in 1953. In his twenty-seven years as the Vocational Ag sponsor, Mr. Chastain has supervised several students who have attained the highest possible awards in FFA, coached numerous winning teams in livestock, meat, and grass judging contests, and instructed soil conservation teams who have been successful in state competition. It is well known among his students that he is patient, considerate, and as one FFA member put it, "Mr. Chastain will work with any student on a project or anything pertaining to agriculture." Because he has served as an outstanding educator, and has given freely of his time, patience, and knowledge, we dedicate the 1983 Burro to Mr. Emmett Chastain.

The M.W.H.S. Student Council officers really worked hard to fulfill their campaign promises. Dedication, cooperation, and support from sponsor, Mark White, and student council members helped make the year a success. The year's fall activities included: the SMILE Program (dangers of drinking), the new WELCOME sign under the school marquee, the sunglasses sale, the rock-and-roll assembly, the decorating party for the Christmas tree, and the brunch for the teachers before the Christmas holidays. The spring's activities concluded with the school carnival and the election of new officers.

Big Red Band Marches On . . .

After two weeks of practicing new music and learning how to precisely execute the drills, the 1982 Ram Marching Band started the season with a 'bang'. Under the direction of Norman Deisher, Roy Brooks, John Martin, and drum majors Marianna West and Todd Brooks, the band made their 8th superior rating in 9 years. Our band was judged as the best in the region; therefore, receiving the honor of competing in the Texas State Marching Competition for the 2nd consecutive year. Here is a band we all need to support and be proud of.

First a much-admired novel by the eminent psychiatrist, Theodore Isaac Rubin, then a screen play by Eleanor Perry from which was made the award-winning motion picture, David and Lisa has now been adapted for the stage with the utmost fidelity to its illustrious prototypes. It retells, by using the most modern stage techniques, the strange, appealing and utterly fascinating story of the two mentally-disturbed adolescents: David, only son of wealthy parents, over protected by a dominating mother, who is tortured by his mania against being touched; and Lisa, the waif who has never known parental love, who has developed a split personality and is in effect two different girls, one of whom will speak only in childish rhymes and insists upon being spoken to in the same manner. The play follows them during the course of one term at Berkley School, where they have come under the sympathetic and understanding guidance of psychiatrist Alan Swinford and his staff follows them — and their fellow students: Carla the street urchin; the over-romantic Kate; stout Sandra, unloved and unwanted by her glamorous father and step-mother; and others — with the continuous absorption of an authentic and well-told story about problems that are totally unfamiliar to most of us.

National Honor Society

The National Honor Society is an organization subordinate to the National Association of Secondary School Principals. Its membership is based on scholarship and citizenship. To be eligible, Senior must have an average of 85 or above; a junior, 88 or above; a Sophomore, 90 or above. The teachers vote on the eligible students to determine the members.

If a student is a member in good standing at the time of graduation, he is a member for life. Notification of membership is very valuable on job and scholarship application.

ON THE BIO. I CANOE TRIP (A Fish's) AND AROUND.

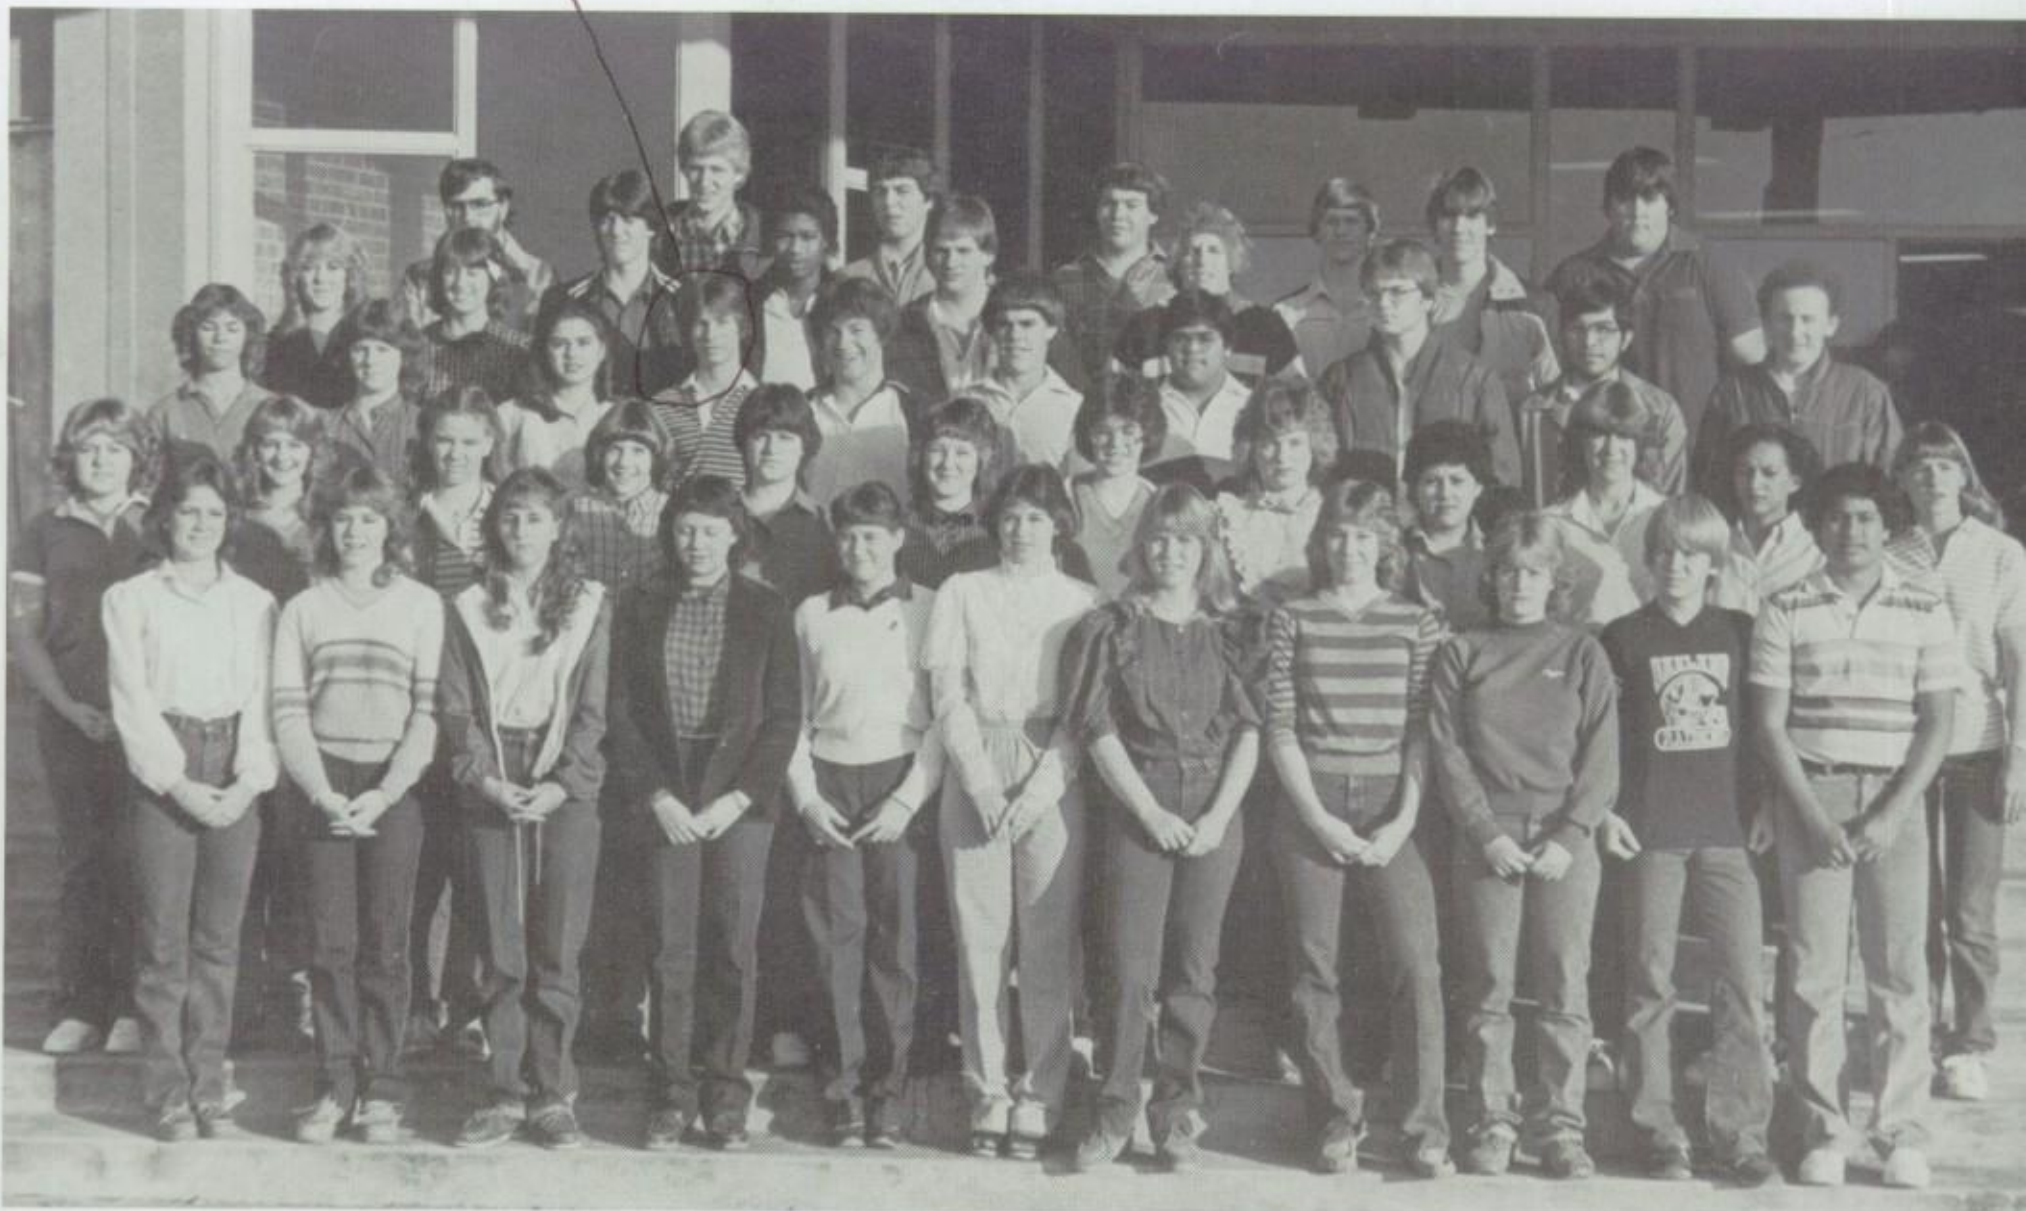

Each Spring for the last three years, the Biology I club has gone on an adventurous canoeing trip down the Brazos River. This is a thrill that everyone should have the chance to experience. Sleeping in a wet sleeping bag because you didn't tie the end of your bag tight enough, or eating half-raw hotdogs for three days while your sponsors dine on barbequed steaks, is really fun. You ask yourself, "Is this what I worked hard for all year long?" But, when you get back home to the comforts of your own bedroom (and bathroom), you'll decide that the trip was worth it. You will know your friends a lot better, and you'll have many good memories of your days on the Brazos.

- ▲ A great day on the Brazos.

Vocational Agriculture is a course designed to train its students in one of our nation's largest industries. Students participate in area livestock shows such as the Houston, Ft. Worth, and Dallas shows. Activities for the year are the annual turkey sales, a country and western dance, and the FFA Spring and Fall Leadership Contest. The construction of the Ag barn highlighted the year's activities. According to the club president Mike Hopkins, "The Future Farmers of America is the club that all students are eligible to join."

Meeting in Progress?

Future Teacher of America is an organization whose members earn credit by assisting teachers in the classroom. Members meet regularly every Monday to discuss the past week's activities and review the journals kept by each student. Recorded in the journals are accounts of various duties members have performed for their supervising teachers. Each month the FTA members vote on one male and one female teacher for teacher of the month. The teachers look forward to this honor and the students enjoy surprising their favorite teachers.

TAKE THE TP&L CONVENIENCE QUIZ:

1. Take a look at your last bill. Write down the amount of that bill in the space provided below. Now divide that amount by the number of service days it represents. (Usually it's a 30-day billing cycle.) The answer you come up with is your average Cost Per Day.

Amt. of last bill = \$ _____
÷ 30 = \$ _____

(Average Cost Per Day)

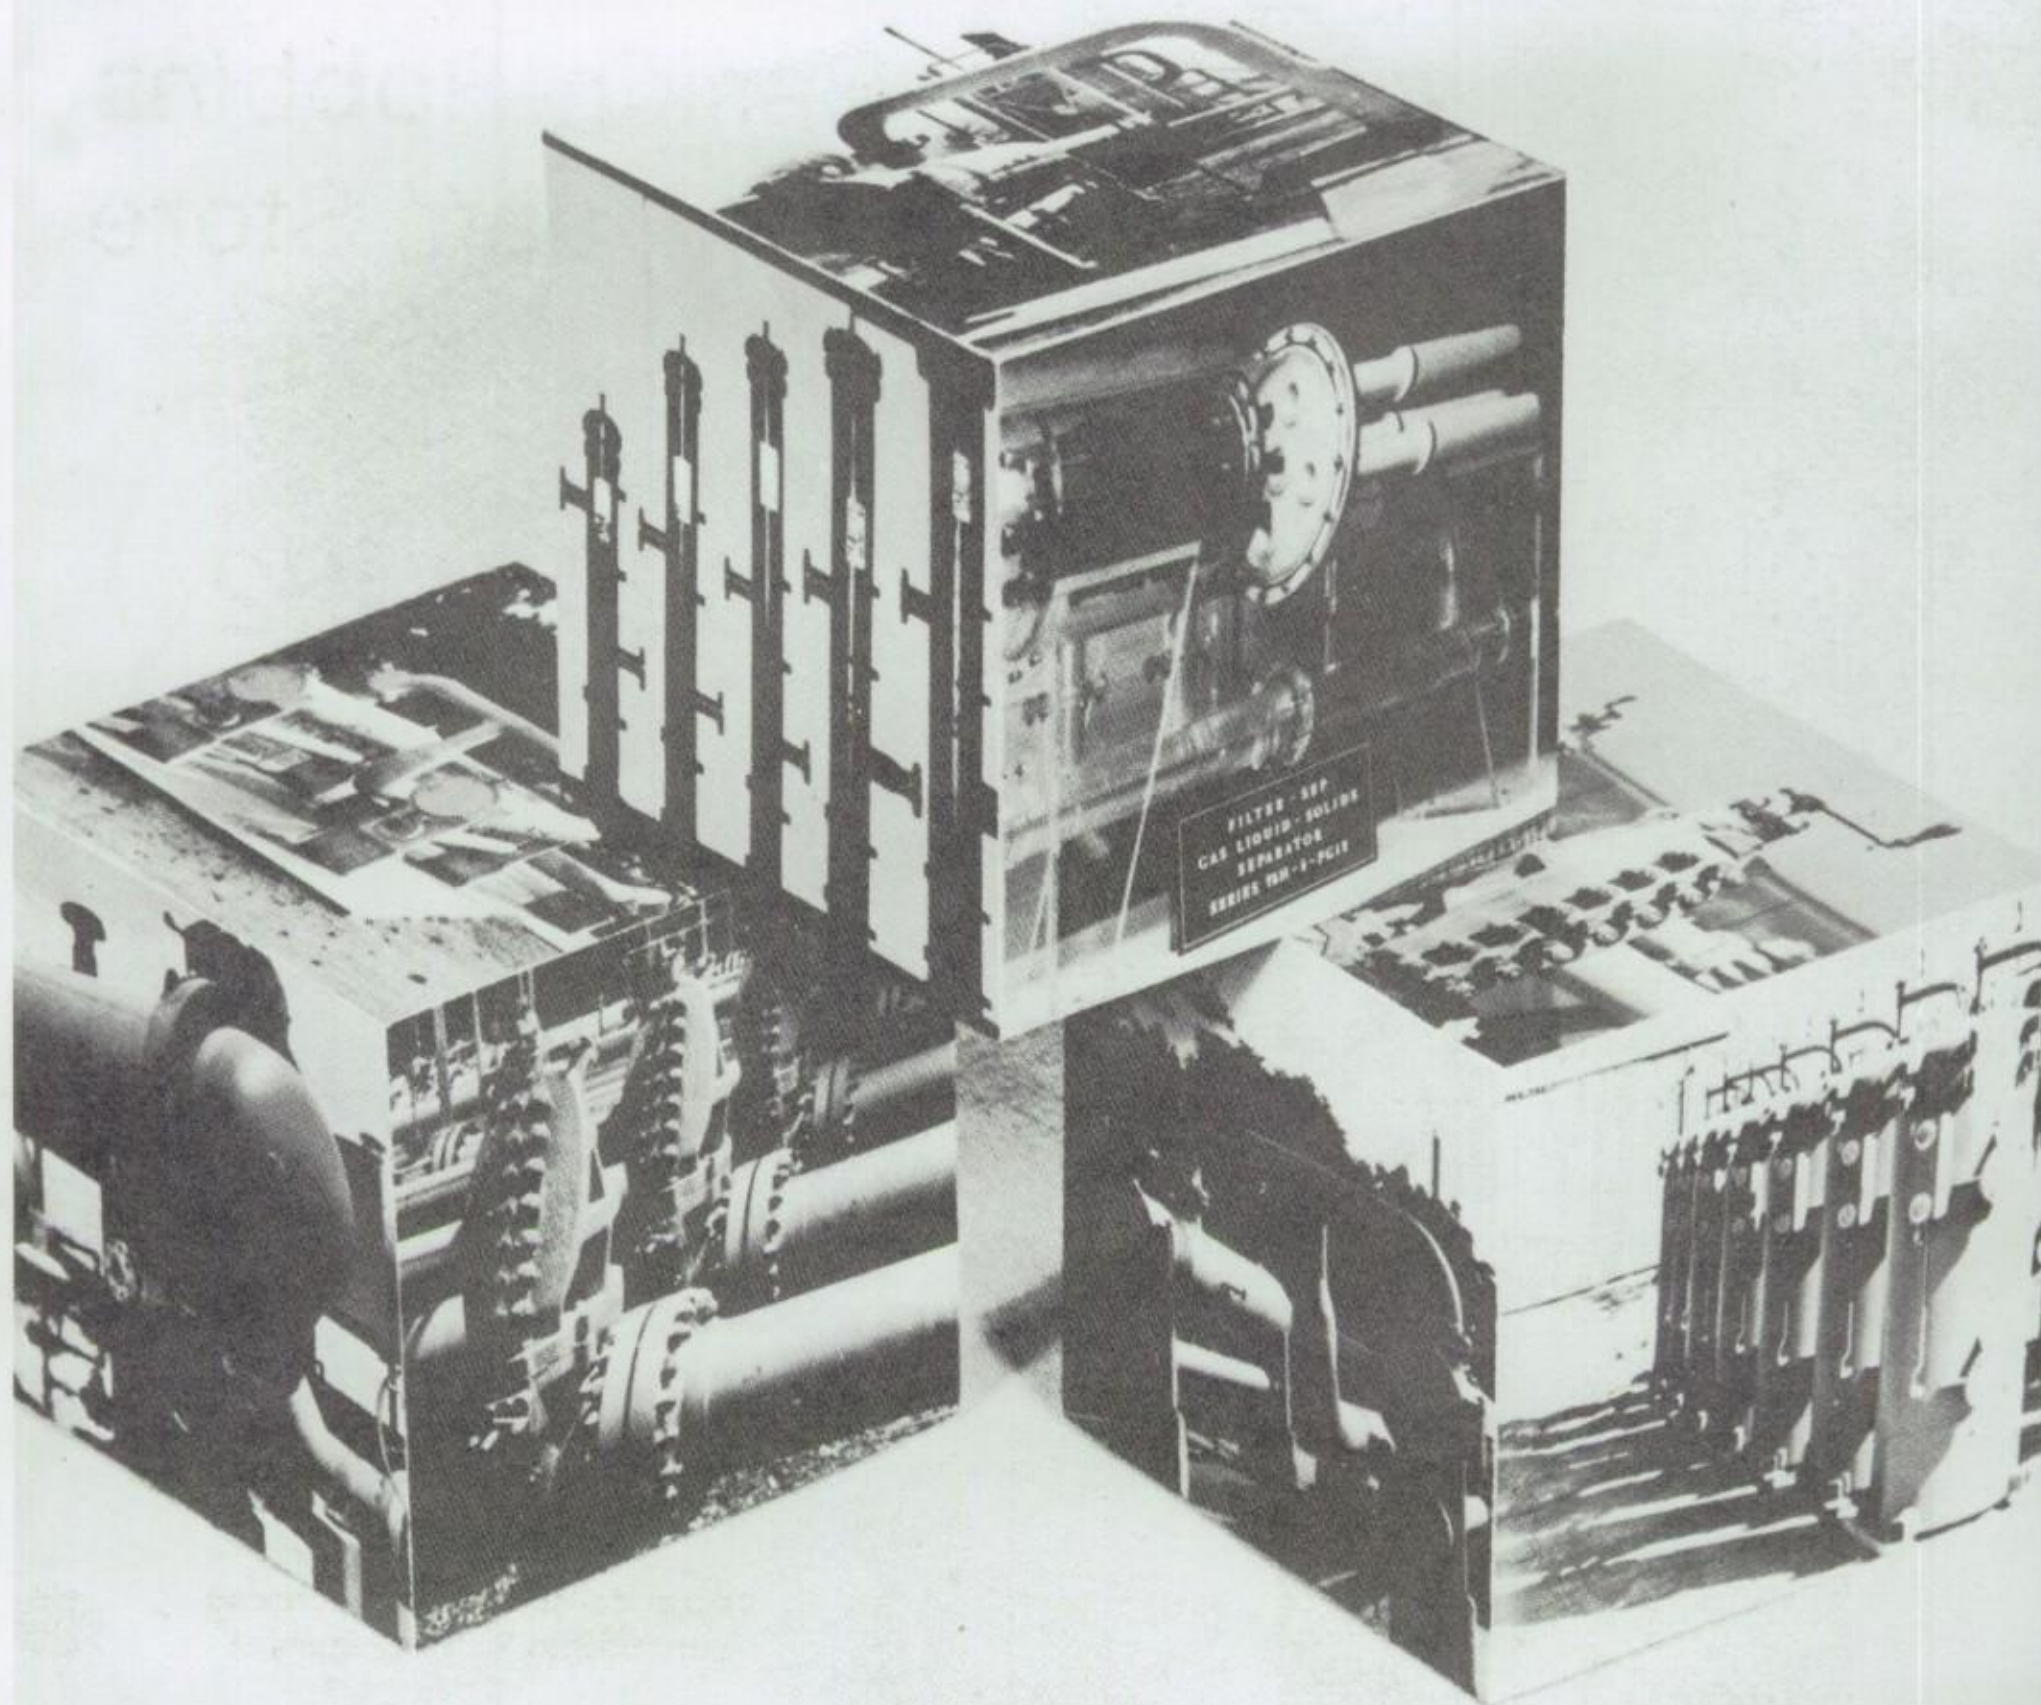

2. Now pick your appliances. Check the boxes beside those that you have and use on a regular basis. You may have some that aren't on our list, if so, add them to the list in the space provided. Remember, these are the things that add convenience to your life every day.

- | | |

3. Now stop. And think. The price of electricity, like everything else is going up. But electricity affords you more conveniences now than ever before. And at TP&L we're doing our part to see that the power to keep them running keeps on coming. Day after day. So when you really think about it, isn't electricity still one of your best buys? ☐ YES ☐ NO

MY CREED

"I do not choose to be a common man. It is my right to be uncommon. I seek opportunity to develop whatever talents God gave me — not security. I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any earthly master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act myself, enjoy the benefit of my creations and to face the world, boldly and say — This, with God's help, I have done. All this is what it means to be an American."

Caring

well I don't know where to start because
you mean so much to me in so many ways,
one of the ways you mean to me is a close friend, and
a lover, but only in my mind-HPHA, I wanted to tell
you that I love but if I do that I'm afraid that if
I tell you that I might get serious, what the hell I
might as well.

I LOVE YOU

CARIN now I
feel alot better, well let all of your goals be
complete, and everything you want in life come to you

Carin, littlebuckaroo,

It's been fun in English
and I hope to see you next
year, have a great summer

Love

Tom

(Here I am) But really a million. I couldn't have made it through this year running out things to write. I best go since I'm in Basketball, cheerleading & Pon (a fat butt!) Good luck!

Love Ya Always!
Alli Schank

Stay as sweet as you are 'cause if you don't I'll be very very upset!

Hey little one,
Well I'm so glad we've gotten to be such good friends. And I love to talk to you and I wouldn't have missed taking you home for the world.
I think we should become even better friends. Your friendship means a lot to me and I value it dearly. But your happiness means even more. And that's what I'm working for. I'll help you in every way I can and you know it. Let's keep in touch and I mean it 'cause I love you.

Always,
Cinder

Forgot the missing "R"

Carin,
well I have to
tell you your one
of the sweetest + craziest
people I know! I hope
to get to know you better in
the years to come! But I really
think you are probably will
get all your life and that
you still deserve more
than anyone I let end up with
you a great friend!
I want you to know because
stay the way you are no one
could letter!

Carin,
It is a shame there aren't
enough days in a school year
to tell you all the things I
want to say. So I'll just say
"Babe, you're gonna make it."

Love Always
Raymond

Carin,
Here you a sweet and nice
gal. Hope you have a nice summer.
Have you and Ron got into any
arguments lately. We finally made
it through another year + came
wait till next year. Lots
love.

Carin, I've known you now since 7th grade and every moment. You're a loyal, and very good friend which I have enjoyed knowing. You're usually a happy person and you have a great personality and a lot of good qualities. Good luck on your career in that specialization. Be careful out and have fun over the summer, and may God Bless.

I'm glad I get
 to know you and I think
 please ~~one~~ one of the many
 but miss you I know. I hope we
 can become better friends and
 have some classes together next year.
 Hope you have a great summer and a great
 future.

Friends forever,
 Jeff Clary

Cori,
 So very sweet young
 lady. I've enjoyed having as
 a friend all these years. I hope in
 the future we become as good as friends
 as we were in the past. You are very bright
 and a you have a super personality. I wish
 I had some pictures to sign but as you know
 I never was here. I'm glad you became cheerleader
 and a you stay together so well off together I
 hope you stay together forever. You have the
 potentials to go as far as you want
 I'm glad you get the things you want
 in life. And remember I'll always
 be your friend. So stay sweet
 Mary Beth Bless.
